About Event

QuISRO is an event based on the educational theme of the space. The participants should have active knowledge about the space in general and events happening in various space organizations specially emphasizing on ISRO in particular.

Rounds and Rules

Round 1 : KAHOOT

- In this round participants will be judged by the series of multiple choice questions on Kahoot app.
- The top 10 participants from first round will move to the second round.

Round 2 : Tic Tac Toe

- In this round there will be 5 head to head matches of tic tac toe between the top 10 participants selected from 1st round .
- The ranked 1st team from Kahoot will play with ranked 10 team , ranked 2nd team will play with ranked 9th team and so on..
- The team having better rank will be given advantage to answer the first question .
- Special character will be assigned to both the teams (eg- X for team 1 & 0 for team 10).
- After each correct answer team will be awarded 50 points and will be asked to mark themselves on the tic tac toe grid .
- There will be negative marking of 20 points for each incorrect answer .
- If the team doesn't answer or answer incorrectly , the question will be passed to the opposite team.
- If in the tic tac toe grid if any team completes horizontal, vertical or slant line of their assigned character then bonus of 70 points will be awarded for each line.
- At the end of the game the team having highest score will clear Round 2 and make their way to the final round.

Round 3 : Rapid Fire

- Top 5 teams selected from tic tac toe round will get to participate in the final Rapid Fire round
- 7 questions will be asked to each team .
- There will be no options provided .
- Each question carries 10 points.
- No negative marking.
- Each team will have only 2 minutes to answer the questions .Within these 2 minutes participants can skip any question and come back to it later provided the time limit is not exceeded.

Registration Fees
