"But out of limitations, comes creativity"

About Event

The event is about designing a contraption based on which the given task could be accomplished. TASK is given at the time of the event at the venue.

Rules

1. The task must be completed in not more than 3 attempts.

2. 5 points will be deducted for every extra 15 minutes taken by the team.

3. If a team wishes to intervene (hand touch), 5 points will be deducted for each Intervention.

4. In the special case that no team is able to complete the task, points will be considered for construction and execution.

5. After completing the task, points will be given for the items utilized in the construction of the contraption. Each item will have a predefined number of points whose list will be provided separately.

6. If any item that is not mentioned in the list is used, no points will be added for that item.

7. Also note that for an item to be considered as a part of the contraption, it must either provide a path for the continuation of the chain reaction or support the structure that provides this path.

8. The contraption should not occupy more space than the allotted space.

9. The team with the maximum number of points will be declared victorious.

10. The use of any explosive material is not allowed.

11. The use of obvious unfair means will lead to disqualification of the team.

12. In case of a dispute, the decision of the judges shall be final.
