REJUVENATE

Don't think out of the box, think what you can do with the box

About Event

In this event, the technical skills of your creativity will be tested and the most innovative model with the greatest number of components used will be awarded.

The individual team needs to implement their ideas according to the components provided.

Each team will have 90 minutes to make their model.

A set of products will be given that the team has to create a model.

Rounds and Rules

1. Registrations can be done online or offline both.

2. The participation fee will be Rs 150/- per team.

3. This is not an individual contest. You must work in the team and discussions with any other team will not be entertained.

4. All students are welcome to participate.

5. The decision of Judges will be final and binding. Any un disciplinary act will lead to straight disqualification.

6. Indiscipline and argument with the event management team will lead to disqualification.

7. The use of mobile devices, notes, and other unfair means is prohibited.

8. The rank list will be prepared based on scores provided by judges.

9. Participants must bring their College ID cards without fail during competition.
